Summer

Throughout the summer and autumn, you'll find varied mountain terrain perfect for running, cycling, uphill intervals, and long-distance sessions. A roller ski track with a varied profile challenges both endurance and technique.

Winter

In winter, we offer a snow guarantee with over 600 kilometers of trails across the Øyer mountain range, right outside the door – in addition to the floodlit trail at Mosetertoppen.

Facilities

At Mosetertoppen Ski Stadium, we offer everything you need for a successful training camp – all in one place.

You can park your car in the underground garage, where you'll also find waxing rooms and easy access to all the buildings. We have several meeting rooms and access to storage units through accommodation at Hafjell Ski Resort. During summer and autumn, you'll find an 18-hole disc golf course surrounding the stadium, and in winter, an ice skating rink in the courtyard.

Services

Available services include a supermarket, a sports shop, and a restaurant.

Joker is open year-round, so you can always get your groceries regardless of the season.

The opening hours for Sport1 and Hev Restaurant vary depending on the season.
